

# Supercharge your child's learning

**Great news: Your child's school has partnered with Atom School to unlock their full potential!**

Designed to support parents and guardians as their child begins to use Atom School, our parent info sessions are the perfect way to get acquainted with the platform.

In these 30-minute live sessions, you'll find out how to support your child's progress and boost their learning.

## What we'll cover:

How your school  
uses Atom School

Accessing your child's  
progress data

Bridging home and  
school learning

Extra activities, exam  
prep & home learning

Short platform demo

Q&A

Explore how you can supercharge your child's learning at your school's Atom School parent info session.

Your school's parent webinar is on:

Thursday 19th September at 6pm
